# UNIFORM POLICY

Trinity Classical School's uniform policy is rooted in a desire to create and promote a learning environment where attire is not a distraction to the educational process. Therefore, students are required to be in uniform each day while in class. The administration is responsible for interpreting the policy, and enforcement is a joint effort between parents and staff.

At our school, every choice we make, including what we wear, reflects and communicates who we are. This policy ensures modest, appropriate dress and cultivates an atmosphere conducive to learning. The neat appearance of uniforms reminds students they are in a focused environment, ready to learn. A cohesive student presentation promotes unity and excellence, reinforcing that each student is part of a community striving toward shared goals.

- Hats may not be worn indoors, except for costumes during plays or special dress days.
- Tattoos, including semi-permanent ones, must be covered at school or during school events.
- Seniors may wear business attire (aligned with faculty dress standards) on Wednesdays.

- Shirts/blouses must be plain, free from lace or decorative edging.
- Hair ornaments for Grammar girls must be navy, white, black, or classic school plaid. Secondary girls may wear modest accessories that are not visually distracting.
- Grammar girls may wear one stud earring per ear. Secondary girls may wear tasteful earrings, rings, bracelets, and discreet necklaces (tucked inside shirts).
- Grammar girls may wear light nail polish and lip gloss. No other makeup is permitted. Secondary girls may wear discreet facial makeup and nail polish.
